Hensall Streetscape Committee

Hensall CARES is a group that focuses on enhancing the quality of life for all in the Hensall Community. There have been many projects that have developed out of the work of this group like the Storywalk, the Community Garden, the Community Fridge, and screening of the documentary "The GreatDisconnect". The latest project we are working on is a survey and community conversations—what projects, activities, or events would you like to see happen in your community?
