

An aerial photograph of a residential development. The property boundaries are outlined in yellow. A blue rectangular highlight is placed on a road within the development, labeled "Second Lane PI 518". The development consists of several rows of houses, some with swimming pools, and a central paved area. To the right of the development is a large, open, brownish field. A road runs vertically along the right edge of the development. The background is a mix of green fields and brownish areas.
